**ORDER:**

The State of Telangana is endowed with rich flora and fauna. About 25% of the geographical area of the State is covered with forests of various types. The forests of the state are subjected to immense biotic pressure leading to their degradation. Protection of this rich bio-diversity is of utmost importance. Therefore, there is an urgent need to conserve and develop the forest areas as per the scientific management principles in order to improve the tree cover to achieve the 33% of the geographical area under tree cover as envisaged in the National Forest Policy. In the reviews conducted by the Government on conservation of Forests and Wildlife, it is observed that coordination among various departments viz., Forest, Police, Revenue and Tribal Welfare is necessary for better protection of this valuable resources.

**2.** In his letter read above, the Prl. CCF, Telangana, Hyderabad has requested the Government to issue necessary orders constituting the District Level Committee for protection of forests and wildlife.

**3.** After careful consideration of the proposal, the Government decided to constitute the District Level Committee under the Chairmanship of District Collector in each of the Districts with the other district level officials as members to review and monitor protection of forests and wildlife.

**4.** Further, Government after examining the desirability to induct some Non-Official members also in the Committee for better and effective protection of forests and wildlife, decided to include two such members in the District Level Forest Protection Committee.

**5.** Government, hereby constitute the District Level Forest Protection Committee under the Chairmanship of the District Collectors. The Divisional Forest Officer (Territorial) at District Head Quarters will be the Member convener. The following is the composition of the District Level Forest Protection Committee:
